Dear, justice Laurie Selber Silberman,

My name is [redacted]. I only have this to say to you right now for myself, and others like me who need the BSA to be held accountable for what they have allowed to happen to us, was ungodly and lifetime of pain and suffering mentally and physically. The BSA must be held accountable for the abuse they let happen to children that were entrusted in their care from our parents.

I ask you, justice Laura Selber Silberman, what would you want and how would you feel if it happened you or your children?

Thank you for your time,

Sincerely,

PS. Justice Silberman, please give us justice.
